

Debit Card Automated Notification Opt-Out

Effective July 13, 2017

Starting on July 13, 2017, a notification process will be put in place whereby our debit card processor (STAR / First Data) will place an automated voice call to you in the event of a possible fraudulent transaction involving your debit card. First Data will notify you via your phone using the phone number we have on file. This is a free protection service offered by Fort Billings FCU to our members. If you choose, you may opt out of this type of notification, simply call the credit union at 856-423-1469.

If you have any questions, please don't hesitate to contact us.

YES, I want to Opt-Out of automated notification of potential fraudulent transactions for my debit and/or ATM card.
